\* - At the Masses that First Eucharist is being celebrated, prior to the children receiving First Eucharist, the cantor should announce the Communion Hymn along with its associated number as he/she would normally do.

The Communion Hymn “Table of Plenty” should be played by the Accompanist without any singing while the children and their immediate family members are receiving.

After the children have received First Eucharist, the music ministry should proceed from the music ministry area as they normally would to receive Holy Communion.
